

# christmas project

We're looking to do something a little different for our Christmas "Being the Church" project. Last year we spent New Year's Day putting together 100+ bags for homeless individuals and then we delivered them to people on the streets of Chicago.

This year we want to "Be the Church" to the people who work in this building everyday - CJHS teachers. This is a great way to get your children involved in serving! For gift basket ideas, peek at our sample basket on the back.

## Bring to CJHS On or Before December 9

### Classroom Supplies
